

STUDENT VOLUNTEER FORM

Volunteer your time and earn \$100! Students volunteer 8 hours at the conference, while networking with practicing planners, working with APA staff, and meeting other students.

GUIDELINES: Students must be registered for the conference at the time they apply to be a volunteer and must be student members of APA. Student volunteers are reimbursed on-site upon completion of 8 hours of work. Students must be available to work the full 8 hours in one shift, but APA reserves the right to schedule multiple shifts for a volunteer should it be necessary. All 8-hour shifts are scheduled to include a one-hour break for lunch, not included in the 8 hour total. If you cannot work your assigned shift, you forfeit the opportunity to volunteer.

After the application deadline has passed, you will be notified by e-mail as to your status as a student volunteer. All applications are reviewed and assigned in the order they are received, based on availability. APA receives more applications than it can use, so register and apply early to improve your chances. Send the completed application via e-mail to: stuvolunteers@planning.org or fax to: 312.786.6700.
